

Dashmesh International

Corporate Brochure

We are leading manufacturer and Exporter of Air, Oil Filters, Fuel Filters, Industrial Filters, Compressor Filters & Earth Moving Filters. These products are appreciated owing to features like high efficiency, accurate sizes.

Dashmesh International

- About Us -

We “Dashmesh International” are one of the prominent manufacturer and exporter of a wide range of best quality **Air, Fuel Filters, Oil Filters, Compressor Filters, Earth Moving Filters and Industrial Filters**. Besides, we are also engaged in offering **Hydraulic filters, Hydraulic Oil Filters & Intermediary Components & basic material including Perforated Metal Sheets, End Caps and PVC Compounds**. Our products are precision engineered and also incorporated with the unique features like durable finish standards, high efficiency, low maintenance and corrosion resistance.

We have set up a sophisticated manufacturing unit which is well equipped with all the latest tools & equipment. Further, our team of expert professionals helps us to bring out the best quality filters by their never ending efforts. Our entire range of products undergoes stringent quality checks to ensure the quality and longer service life. These high quality filters find application in **DG Sets, Earth Moving Machines, Automobile, Compressors** and other industrial purposes.

Owing to the rich industry experience and in depth knowledge of our mentor **Mr. Parmjeet Singh Viridi**, we have achieved a remarkable position for our organization. His sharp business insight and visionary guidance has enabled us to keep on moving ahead in this competitive industry.

Dashmesh International

Filter Making Machine:

We are offering Filter Making Machine. Our entire range of products is developed by advanced manufacturing unit. These are manufactured using quality basic material procured from reliable vendors of market.

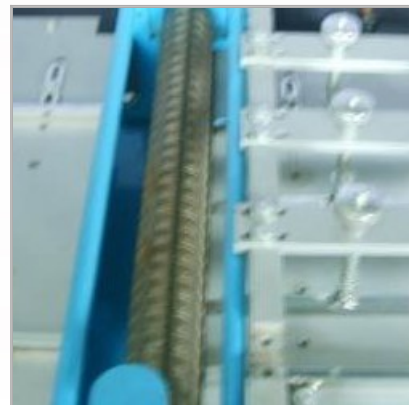

Hepa Filter Making Machine

Yarn Filter Making Machine

C.A.V. Filter Making Machine

Rotary Pleter Head

Dashmesh International

Filter Testing Rig:

We are offering a wide range of Filter Testing Rig. These filter testing rigs offered by us are appreciated for high efficiency, corrosion resistance and longer service life.

Air Filter Testing Rig

Oil Filter Testing Rig

Fuel Filter Testing Rig

Spin-On Leak Test Rigs

Dashmesh International

Industrial Ovens:

We are offering Industrial Ovens. Our products are precision engineered and also incorporated with the unique features like durable finish standards, high efficiency, low maintenance and corrosion resistance.

Curing Oven

Industrial Curing Oven

Box Type Oven

Dashmesh International

Filter Equipments:

We are offering filter making equipments. Our products are precision engineered and also incorporated with the unique features like durable finish standards, high efficiency, low maintenance and corrosion resistance.

Diesel Filter Paper Machine

PVC Adhesive Dispenser

Micron Testing Equipment

Spin-On Filter Impulse Testing Machine

Dashmesh International

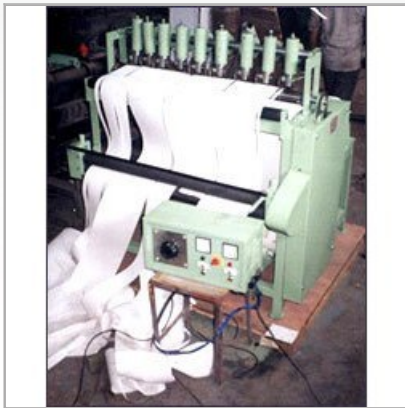

Other Products:

Paper Burst Testing Machines

Filter Paper Slitting Machine

On-Line Paper Slitting Machine

Sheet Expanded Metal Machine

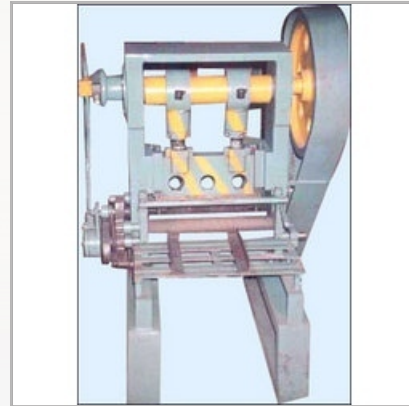

Dashmesh International

Other Products:

E Metal Sheet Flattening Machine

Perforation Machine

Sheet Perforation Machine

Spin On Filters Seaming Machine

Dashmesh International

Other Products:

Shock Absorber Seaming Machine

Rotary Marathon Pleater

Rotary Pleater With Side Lock

Paper Pleating Machine

Dashmesh International

Other Products:

Paint Booth

Hot Plate - Conveyor

Silencer Sealing Machine

Base Paper (Filter)
Impregnation Coating
Plant
